

## Press Release

Assessment and improvement of sustainability performance

### **DEKRA approved EcoVadis Training Partner**

**DEKRA has been named an Approved Training Partner by EcoVadis the leading provider of globally trusted business sustainability ratings. Approved Training Partners are formally equipped to help businesses complete sustainability assessments, review scores, improve Environment, Labor and Human Rights, Ethics, and Sustainable Procurement practices.**

Approved Training Partners are carefully selected based on Their experience and expertise and must complete rigorous training on EcoVadis` methodology and assessment process through EcoVadis Academy. To qualify, partners must demonstrate a deep understanding of local environmental ethical and human rights regulations and issues and have completed the EcoVadis assessment for their own business.

As approved Training Partner DEKRA has been trained and approved to:

- Educate and support suppliers in understanding the EcoVadis methodology and support with assessment completion.
- Provide consultancy services for suppliers to understand their score card and Corrective Action Plan, and support with implementing improvements and wider supply chain sustainability practices
- Help buyers understand how the EcoVadis assessment can benefit their business and supply chain

EcoVadis is the global standard for supply chain sustainability ratings. The EcoVadis assessment evaluates 21 sustainability criteria across four core themes: Environment, Labor& Human Rights, Ethics and Sustainable Procurement. More than 100.000 companies globally have been rated by EcoVadis.

### **About DEKRA**

*DEKRA was originally founded in 1925 to ensure road safety through vehicle inspection. With a much wider scope today, DEKRA is the world's largest independent non-listed expert organization in the testing, inspection, and certification sector. As a global provider of comprehensive services and solutions, we help our customers improve their safety, security, and sustainability outcomes. In 2023, DEKRA generated revenue of EUR 4.1 billion. The company currently employs around 49,000 people who offer qualified and independent expert services in approximately 60 countries on five continents. With a platinum rating from EcoVadis, DEKRA is now in the top one percent of sustainable businesses ranked.*
