

# CERTIFICATE OF CONFORMITY

Issued to: LTS Global Digital Services

For the process: Data labelling processes for image, video, audio, text and 3D sensor data annotation

Subject: Data Labelling Assessment for Artificial Intelligence systems

## Requirements:

This Certificate of Conformity is granted on account of an examination by DEKRA, the results of which are laid down in a confidential file no DK23716051RRF.002

This Certificate of Conformity implies that the examined processes are in accordance with the following (parts of) standard(s) or specification(s):  
Chapter 8 of ISO/IEC DIS 5259-4. Artificial intelligence — Data quality for analytics and machine learning (ML) — Part 4: Data quality process framework

The examination has been carried out on the processes and methods involved in data labelling for Artificial Intelligence systems. The Certificate does not include an assessment of specific Artificial Intelligence applications or components. Conformity of specific Artificial Intelligence-based applications or components is not the responsibility of DEKRA.

This document does not authorize the use of any DEKRA approved mark.
