

CENTRO CRIPTOLÓGICO NACIONAL

CERTIFICATE

CCN-AT- 32/2019

Authorization as ENECSTI ITSEF for “DEKRA Testing and Certification S.A.U.”

Pursuant to the authority vested in me under Act 11/2002 regulating the National Intelligence Centre, and under Article 1 and Article 2.2.c of Royal Decree 421/2004 of March 12th regulating the National Cryptologic Centre, I hereby:

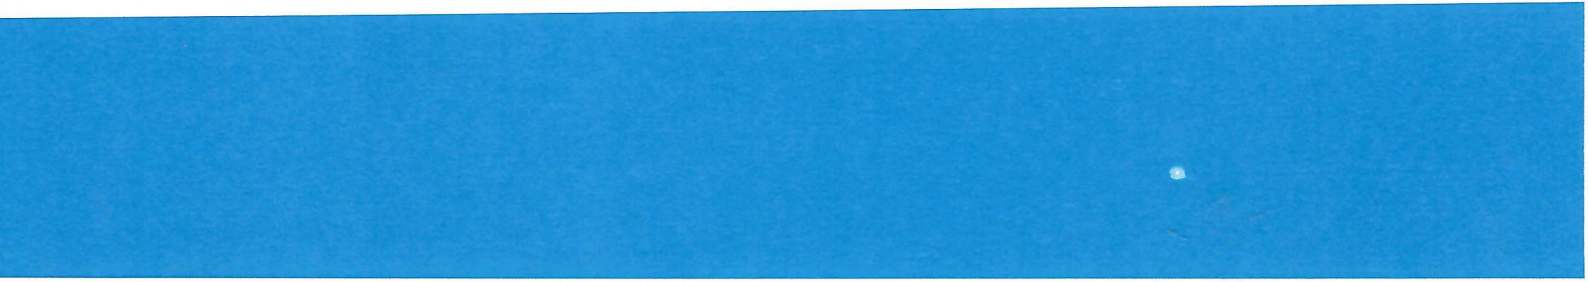

Approve “DEKRA Testing and Certification S.A.U.”, registered at “C/ Severo Ochoa s/n Parque Tecnológico de Andalucía, 28590 Campanillas (Málaga)” as Information Technology Security Evaluation Facility (ITSEF) within the National IT Security Evaluation and Certification Scheme (ENECSTI), to perform IT security evaluations according to "Common Criteria for Information Technology Security Evaluation" and "Common Methodology for Information Technology Security Evaluation" up to level EAL4 + (AVA_VAN.5, ALC_DVS.2, ALC_FLR.3) and “ISO/IEC 19790 and 24759, Security Requirements for Cryptographic module” up to SL3.

Madrid, 26th December 2019
Secretary-General
Acting Director

Paz Esteban López

The ITSEF identified in this certificate has been accredited and licensed/approved evaluation facility. The accreditation has been conducted in accordance with the provisions of the Spanish IT Security Evaluation and Certification Scheme, PRE/2740/2007 September the 19th, and the conclusions of the evaluation facility in audit reports are consistent with the evidence adduced.
