STUK DECISION 28/G41224/2021 ON APPLICATION FOR APPROVAL OF NDT AND DT TESTING ORGANIZATION DEKRA INCOS GMBH

Dear Sirs,

Please find attached STUK Official Decision 28/G41224/2021, dated 2021-12-03, with unofficial translation, related to documents listed in enclosed Follow-up table.

The scrutiny, examination or review of, or giving or withholding of approval to any information or document by the Owner, or the making of objections, representations, comments, suggestions, or any failure to make the same in relation to any of said information or documents, or any aspect of the Works shall not relieve the Supplier in whole or in part of any duty, obligation or liability undertaken by the Supplier in relation to the Work under the Plant Contract.

Unofficial English translations of STUK documents provided by the Owner does not relieve the Supplier from its contractual obligation to become himself acquainted with the content of such documents or his other contractual obligations.

Best regards,

TEOLLISUUDEN VOIMA OYJ
OL3 Project - Quality Management

Paavo Rautala
