

Climate Change Collage Workshop: Raising Awareness and Empowering Change for a Sustainable Future

Circular Change Collage Workshop

Understanding climate change and its impacts on business is crucial for driving meaningful change and fostering employee engagement in sustainability initiatives. The Climate Change Collage offers a unique and interactive workshop experience that raises awareness about the importance of climate change for individuals and businesses alike.

Using easy-to-understand cards derived from the science-based IPCC report, participants are guided to create their own visual representation of climate change by linking causes and effects. This approach not only educates but also empowers teams, making the workshop an effective tool for managers and employees to spread knowledge and inspire action throughout their organizations.

Target **Group**

- ▶ **Ideal** for those looking to gain foundational knowledge and awareness of climate change impacts on business and society.
- ▶ **Suitable** for both beginners without prior knowledge of climate change and experts looking to refresh or enhance their understanding.
- ▶ **Perfect** for groups interested in a collaborative and educational team-building experience.

Learning **Units**

1. Understanding the Story of Climate Change
2. Anchoring Learning
3. Welcoming Emotions
4. Launching into Action

Learning **Objectives**

- ▶ Explain the causes and effects of climate change and how they are interconnected.
- ▶ Increase awareness of climate issues within your organization by detailing the causes and impacts of climate disruptions.
- ▶ Identify concrete actions that can be taken to mitigate climate change at both personal and organizational level.

Training Course **Details**

- ▶ **Duration:** 3 hours (4 teaching units, 180 min)
- ▶ **Delivery format:** virtual classroom or face to face
- ▶ **Entry requirements:** none/no special requirements
- ▶ **Examination procedure:** none
- ▶ **Completion:** DEKRA certificate of attendance
- ▶ **Technical requirements:**
 - A powerful internet connection (at least 1 Mbit/s), an up-to-date operating system and browser
 - Google Chrome is required for our live online training sessions
 - JavaScript must be activated
 - Microphone and speakers (headset) as well as a webcam

Why **DEKRA?**

- ▶ In our workshop we offer you insights into the fundamental causes and effects of climate change, helping participants grasp the complexity and urgency of the issue.
- ▶ Our sustainability experts offer practical steps that individuals and organizations can take to mitigate their environmental impact.
- ▶ Our interactive learning approach makes learning about complex climate concepts engaging and accessible whilst also encouraging active participation.
