

**Declaration of Impartiality
DEKRA Certification Sp. z o.o.**

DEKRA Certification Sp. z o.o. as a certification body, accredited and notified, declares that impartiality and professional ethics are our highest priorities in our certification activity.

We ensure that DEKRA Certification Sp. z o.o.:

a/ is an impartial, independent and objective body

b/ does not conduct any consultation activities in the area of management system certification, product certification and personnel certification or in the areas of inspection.

c/ has no personal or financial connections with certification bodies and subcontractors

d/ has no connections with any entities consulting management systems, threatening the perception of us as an impartial and independent body

e/ does not conduct dedicated trainings in a manner threatening the perception of us as an impartial and independent body

f/ does not conduct internal audits for certified Clients

g/ does not certify the activity of other certification bodies

h/ is not a designer, manufacturer, installer, distributor or a maintaining entity of a product certified

i/ is not a designer, implementing entity, operator or a maintaining entity of a process certified

j/ is not a designer, implementing entity, provider or a maintaining entity of a service certified

k/ does not engage in any activities that may interfere with the independence of judgment and integrity of inspection activities, in particular, does not engage in the design, manufacture, supply, installation, procurement, ownership, use or maintenance of inspection items

We are constantly identifying and analysing all actual and potential conflicts of interests resulting from conducting the certification, including all conflicts resulting from our connections and subcontracted certification activities.
