DEKRA Claims Services Ukraine

The main problem faced by the foreign carriers in Ukraine is possible arrest of the vehicle involved in an accident, for the duration of investigation. The solution to this problem depends on how quickly the injured party receives compensation for losses from the guilty party or its insurance company. But the bureaucratic procedure of the traditional settlement of such cases makes rapid solution of this problem practically impossible. In such cases, we as soon as possible strive to achieve with the injured party a mutually beneficial problem solution and determine the size of fair compensation.
