3. If the mark / logo is not properly used. The ift certificate will be cancelled.
4. Below are the limit that be used on the label:

5. ift logo could be vertical or horizontal as below.

About DEKRA

DEKRA has been active in the field of safety for almost 100 years. Founded in 1925 in Berlin as Deutscher Kraftfahrzeug-Überwachungs-Verein e.V., it is today one of the world's leading expert organizations. In 2021, DEKRA generated turnover totaling almost EUR 3.5 billion. The company currently employs around 46,500 people in approximately 60 countries on all 6 continents. With qualified and independent expert services, they work for safety on the road, at work and at home. These services range from vehicle inspection and expert appraisals to claims services, industrial and building inspections, safety consultancy, testing and certification of products and systems, as well as training courses and temporary work. The vision for the company's 100th birthday in 2025 is that DEKRA will be the global partner for a safe, secure, and sustainable world.

**We will be the
global partner for a safe
secure and sustainable world**
