

When you invest in a
CULTURE OF CARE
you invest in
YOUR FUTURE

We help organisations reduce operational risk and foster a Culture that cares.

The result? Fewer injuries, improved reliability, saved lives and better businesses.

DEKRA Organisational Reliability Ltd. is a behavioural change consultancy and business partner to businesses working in high hazard industries such as chemical, oil and gas, transportation, utilities, manufacturing, pharmaceutical and agriculture companies.

Using “care” as a catalyst, we specialise in helping our clients to implement significant change and deliver Operational Excellence with safety at the core. Applying our knowledge and experience of Organisational Reliability and Organisational Safety we enable our clients to deliver their business to plan, without loss or harm to people, plant and productivity.

We are a service unit of DEKRA SE, a global leader in safety since 1925 with over 39,000 employees in 50 countries.
