What does the service cover?

- ✓ Full **mechanical** and **cosmetic** inspections
- ✓ **On-site** or **remote** assessments
- ✓ Digital inspection **reports**

What you gain:

- ↶ **Dispute-free** vehicle returns
- 📄 Lower end-of-contract **costs**
- 💡 Clear, transparent fleet insight

Who We Help and How We Add Value:

Retail & Transport divisions

A single inspection standard simplifies returns across leased and owned vehicles.

Courier & Delivery fleets

Rapid, depot-based inspections keep high-turnover LCV operations moving.

Vehicle Rental & Leasing providers

Neutral, third-party assessments prevent disputes and strengthen audit readiness.

Freight & Haulage operators

Clear mechanical and cosmetic grading supports confident de-hire decisions.

Utility & Field Service fleets

Consistent inspection coverage ensures compliance from vans to specialist vehicles.
