How we do it

Driver File Express

This application provides peace of mind in knowing that you have a complete Driver Qualification File for every driver in your fleet, and that every driver is in compliance with all requirements.

Features

- Fill out every required DOT form completely and accurately with employer and employee information.
- Easily track and report on which forms are missing
- Schedule license renewal dates and alerts for each driver
- Schedule medical card renewal dates and alerts for each driver
- Schedule and track annual reviews
- Track training, endorsements and CEU's
- Activate or inactivate part-time drivers for accurate recordkeeping
- Easily track MVR's and previous employer information
- Create employee engagement by providing "compliance overview" reporting between locations
- Track driver compliance by location, region, business unit or roll everything up for an overall corporate review
- Track accident records by individual driver

About Us

We are consultants and business partners to many of the world's largest chemical, oil and gas, transportation, utility, pharmaceutical, and agriculture companies. Through a transformational approach, we guide clients in evolving both their organizational culture and their operational environment, enabling them to reduce exposures and injuries, save lives, protect assets—and in the process, achieve higher performance.
