

# EHS Built for Today's Challenges and Tomorrow's Goals

Strong EHS programs do more than protect people. They inspire teams, improve efficiency, and make every part of your operation stronger.

That is the approach DEKRA brings to every client partnership. We help you create environments where safety is second nature, compliance is effortless, and continuous improvement is part of the culture. With our expertise, technology, and hands-on support, you have everything you need to achieve your goals now and keep building success well into the future.

## COMPLIANCE THAT WORKS IN THE REAL WORLD

We make compliance a seamless part of your operations. Our reviews and recommendations fit the way your teams work, so compliance supports productivity instead of slowing it down.

### YOU GAIN:

- ✓ Confidence in any audit or inspection
- ✓ Alignment with OSHA, EPA, ISO, and internal standards
- ✓ Processes that are easy to follow and sustain year-round

*With **DEKRA**, EHS becomes a source of strength and opportunity. Together, we can create safer workplaces, more engaged teams, and measurable success for years to come.*

## EHS SUPPORT ON-SITE

When you need extra capability, DEKRA provides experienced EHS professionals who integrate fully with your team. They lead initiatives, keep programs on track, and share best practices that strengthen your safety culture.

### YOU GAIN:

- ✓ Instant access to proven expertise
- ✓ Consistent performance during growth or change
- ✓ Scalable support for both short-term and long-term needs

## HEALTHIER TEAMS, STRONGER PERFORMANCE

A healthy workforce is an engaged, productive workforce. Our certified industrial hygienists identify and control chemical, noise, air quality, and biological risks with practical solutions that protect people while keeping operations running smoothly.

### YOU GAIN:

- ✓ Fewer health-related absences
- ✓ Higher morale and retention
- ✓ Sustained productivity without compromise

For 100 years, DEKRA has been chosen to partner in proactively **keeping organizations safe** around the world as the **largest safety company in the world**.

### A STRONGER EHS FOUNDATION

An aligned EHS management system keeps safety, compliance, and performance moving in the same direction. We help you close gaps, standardize practices, and build systems that adapt as your organization evolves.

### YOU GAIN:

- ✓ Clear, consistent processes across all locations
- ✓ Streamlined operations that save time and resources
- ✓ A foundation for ongoing improvement and measurable results

### BBS PROGRAMS THAT INSPIRE ACTION

Whether you are starting fresh, revitalizing a program, or want DEKRA to manage it on site, our Behavior-Based Safety approach makes participation easy and meaningful. Our BAPP® methodology and Adaptive BBS™ technology provide real-time insights that drive smarter decisions and safer behaviors.

### YOU GAIN:

- ✓ High-quality observations you can act on immediately
- ✓ Stronger employee engagement in safety
- ✓ Lasting improvements that hold through change

### Why Leaders Choose DEKRA

- More than 100 years of global safety leadership
- Proven results in high-risk, highly regulated industries
- Scalable, tailored solutions built for your operation
- A true partnership committed to your success
